Superstition is Not Religion.

It is very sorrowful to think that the man or woman who builds their hopes upon the theory of the man Adam to be the first, and only man created, builds his or her belief upon Superstition. And Superstition is not Religion, belief without the evidence of the Divine Truth is not Religion; and faith without the facts of the Holy Word of God, is not Religion.

To love God, wish for justice; to long for the right, to love mercy to pity the suffering, to assist the

weak, to forget wrongs to love Truth, to be sincere, to utter words of honesty, to love liberty to wage relentless war against sin and slavery, to love wife, children and friends and to make home happy, to discard error for Truth, to banish prejudice from our hearts, and to cultivate joy and happiness, to be hopeful for the calm beyond the storm, the dawn beyond the night, the clear beyond the cloud, In fact to love God with all the heart, soul, body, mind, and strength. This is the Religion of a Crucified Lord and risen Redeemer.

SANDREG BRANCH Story.

BY D. A. D.

Kind Ed here I am again after another rain with a bundle of nonsense. It has felt a nice rain which has put the little rivers rolling to the sea. Thrashing seems to be the order of the day.

The protracted meeting at Rockford seems to be getting along nicely.

The apple cutting down at Rag Town was well attended. Every body reported a good time.

Dear readers I feel so weary to-day that I can't think of much to write so you must excuse me for not writing more. What seems to be the matter with you "two Texas Co toughs" I see that you are not out to day. If you are not sick please come again I like to read your items.

Well kind friends if I don't close I am afraid that I will weary you so I will lay away my pencil and wish you and the Ed. success so I will come again good bye.
